NEED SPACE? SAVE MONEY WITH GROUND LEVEL OFFICES FROM SATELLITE SHELTERS

Ground level offices offer a variety of cost-savings options to meet your short and long-term space needs. These highly versatile units are ideal for offices, storage, guard shacks, 911 centers, gate houses, contractor offices, meeting rooms, break rooms and more. Plus, we provide a full list of value added products to help make your space comfortable. Just ask!

BUILDING BENEFITS

- Set up and freight costs are substantially lower than traditional construction
- Block, level and dismantle services are optional
- Anchoring, steps and skirting are great additions, but not required
- Units are exposed on just five sides, providing thermal protection
- Multiple 20' offices can be shipped on one truck
- Units can be relocated on-site if needed
- Units can be crane lifted to use on scaffolding when site space is limited

- Desks, shelves, file cabinets and planning tables can be added
- HVAC system included

RENT, LEASE OR PURCHASE

We have rental, lease and purchase options available to meet your needs.

SATELLITE SHELTERS

For over 35 years, Satellite Shelters has been a national provider of temporary and permanent space solutions including mobile offices, modular buildings, ground level offices, containers and blast resistant modules.
