

Example Configuration

MODULAR S-PLEX BUILDINGS

Modular S-Plex Buildings are a highly versatile and cost-effective space solution for nearly any application where additional space is needed, including commercial and construction offices, sales offices, classrooms and training rooms, high-profile job-sites, and growing organizations.

Modular S-Plex Buildings are easily assembled and expandable to meet changing needs. Select from one model or combine several of the 4 floor plan options to create your own unique configuration. There are 2 end wall models and 2 middle models:

- Model A: End Wall option with 2 private offices, a coffee bar, and 2 handicap accessible restrooms
- Model B: Middle option with 2 private offices
- Model C: Middle open option
- Model D: End Wall option with 2 private offices

BUILDING FEATURES

- LP Smart Panel Exterior Siding
- Vinyl Covered Gypsum Interior Walls
- Tile Flooring
- Acoustical Lay-in Ceiling Tiles – allowing for easy telecommunication wiring throughout all parts of the building
- Large, Vertical Sliding, Double-insulated Glass Windows
- Electric HVAC System

FLEXIBLE FINANCING

We have rental, lease, and purchase options available to meet your needs.

SATELLITE SHELTERS, INC.

Since 1972, we have been a national provider of temporary and permanent space solutions including Mobile Offices, Modular Buildings, Ground-Level Offices, Storage Containers, and Blast Resistant Modules.
